WORDS FROM THE COUNCIL PRESIDENT

Hello Homewood! On Monday, January 4th, 2010 an advertised Homewood Borough Reorganization Meeting was held at the Homewood Volunteer Fire Department. My name is Paul Phillips, and I have been elected as Council President. I would like to thank you for your support in the recent election and express to you how much I look forward to representing you in your Borough's Government. I have resided in Homewood for the past thirty years and I do not recall an election in that time with a nearly 70% voter turnout! I am humbled, and once again express my gratitude for your support.

I recognize that this election shows that you, the voters, have articulated a mandate for change, and we intend to honor that mandate. Elsewhere in this newsletter you will find the contact information of your officials. We encourage you to let us know how we may be of service to you. We might not immediately have the information you seek but, we will try our best to see that you receive available information in a timely manner.

Being new to the governing process and concerned with several issues now on the Borough's agenda, I would like to invite you to attend Council meetings scheduled for the third Thursday of each calendar month. The next meeting will be January 21st 2010, 7:30 PM, at the Homewood Volunteer Fire Department. If there are any changes to this schedule I will be sure to advertise those changes in this forum as well as the Beaver County Times.

Once again thank you for your support as we face the Herculean effort to facilitate and conduct the business of your Borough. It is my reverent hope that you will maintain an interest in your demonstration of community compassion and fortitude towards achieving this goal. I know the task will require time and patience on everyone's part and once again I look forward to working with you and for you.

Thank You

HOMEWOOD BOROUGH
